RICHMOND RE-ELECTED BY LARGE MAJORITY

INCUMBENT POLLS TOTAL OF 3611 VOTES; OVERACKER RECEIVES 2206

Sweeping to an easy victory by an overwhelming majority of 1405 votes over M. J. Overacker, Ralph Richmond, of Niles, was re-elected supervisor from the first district at the primary election held Tuesday.

According to unofficial returns from Washington. Pleasanton, and Murray townships, Richmond received a total of 3611 ballots to 2206 for Overacker. Richmond polled a majority of 739 in Washington township, getting a total of 1999 ballots in the sixteen precincts to 1260 for his opponent.

According to unofficial count the vote in the three townships was as follows:

	Richmond.	Overacker
Washington	1999	1260
Murray	1050	638
Pleasanton	562	308
Totals	3611	2206

Interest in the supervisorial election was keen and as a result a larger vote than four years ago was polled throughout the three townships. Richmond won Tuesday's election by a larger majority than in 1928 when he defeated Lee Wells, of Pleasanton, by a 1234 majority. At that time he received 3307 ballots in the first supervisorial district to 2073 for the opposing candidate. In 1928 Richmond gathered a total of 1978 votes in Washington township to 924 for Wells.

Richmond carried eleven of the sixteen districts in Washington township in Tuesday's victory. Overacker revealed his greatest strength in Warm Springs where he led 111 to 63, and in Irvington where he carried both precincts–94 to 58 and 116 to 86. He also won out in Alvarado, precinct No. 2. polling 81 to 70 for Overacker, and in Mission San Jose by the close margin of 137 to 133. Richmond's greatest majority in Washington township was polled at the Masonic Home in Decoto, where 217 votes were cast in his favor to ten for Overacker.

TUBBS WINS

Tallant Tubbs received the largest vote in Washington township in the republican nomination fight for U. S. senator. He polled a total of 823 against Samuel Shortridge who was given a total of 737 Youngsworth followed with 217, while Crail received 183 and Shuler 71.

McADOO HIGH

In the senatorial battle on the democratic ticket, William McAdoo ran a close race with Wardell, receiving 294 votes to 239 for the latter. Shuler received 20 votes.

CARTER FAVORITE

Albert E. Carter was the heavy favorite among Washington township republicans, receiving a total of 1200 ballots to 583 for Reggiardo, his closest competitor in this section. Chaplin polled 285. On the democratic ticket Carter was given 289 ballots to 213 for

NILES OFFICER NABS 2 FLEEING SCENE OF THEFT

Colored Transient Arrested at Decoto After Stealing $11.40

Fast work on tthe part of Constable O. W. Ebright, of Niles, prevented Rex Coleman, 20, colored, a transient, from escaping with a sum of money stolen from the home of Mrs. Earl Trevthan on Second street Niles, Monday afternoon.

After he had been notified that some one had entered the Trevethan home and stolen $11.40 from Mrs. Trevethan's purse left on the table, Constable Ebright hurried to the scene and apprehended a colored man nearby who gave a description of two companions said to have been near the home.

Going to the Niles railroad yards, the officer noticed two men riding between the baggage cars on a passenger train leaving in the direction of Decoto. Hurrying to Decoto in his car, Constable Ebright stopped the train as it was leaving that place. He arrested Coleman and Thomas Diemdiaco, his companion, as the pair attempted to flee down the track. After taking the two men to Niles, Coleman confessed to entering the home through the back door and ransacking the purse lying on a table. Mrs. Trevethan had gone to the next door home for a visit at the time.

Both men were taken to the county jail in Oakland. They will probably be arraigned in the Niles justice court Tuesday afternoon.

Congregational Church Officers Are Honored

Honoring E. A. Ellsworth, retiring treasurer of the church, and C. A. Griffin, the new treasurer, a reception was held last Friday night at the parsonage of the Niles Congregational church.

Over forty members of the church were present to enjoy the supper and the ceremonies of the evening.

ENROLLMENT AT NILES GRAMMAR SCHOOL SETS RECORD ON OPENING DAY

Two Hundred and Eighty Pupils Are Registered Monday Morning

Setting a new record for opening day enrollment, the Niles grammar school opened the 1932-33 school sessions Monday morning. A total of 280 pupils were enrolled on Monday, which is a considerably higher mark than on any previous opening day in the school's history.

Many more pupils are expected to enroll during this week and next to bring the total attendance figures up to much over three hundred.

Thirty-eight pupils entered school for the first time Monday, which is one of the largest receiving classes to enroll at the school. The sixth grade showed the highest enrollment with fifty-two pupils registered.

The pupils were dismissed at noon Monday, but resumed school work in earnest on Tuesday morning. All members of the faculty were on hand on the opening day, and after a summer of vacationing were ready to start the school year with renewed vigor.

The school cafeteria was not opened during the first week, but probably will begin serving meals next week under the sponsorship of the Parent-Teachers' Association.

The enrollment by classes was as follows: beginners' class, thirty-eight; high first, twenty-one; second grade, twenty-eight; third grade, thirty-three; fourth

ART COLONY IS SEEN FOR NILES

Possibility that an art colony may be established on the J. C. Shinn ranch near Niles was seen this week as the result of a visit made by a delegation of Washington township people to Palo Alto Friday, where the Allied Arts building on the Stanford campus was visited.

The delegation was headed by Mrs. James R. Whipple, who stated that an old barn on the Shinn ranch may be converted into a studio for the accommodation of artists, under the plan proposed, an artistic salesroom would be built in which all types of craftwork and objects of art would be placed on display. Notable artists would be brought to Niles at various times to deliver lectures.

According to Mrs. Whipple, the object of the proposal is to create an art center for residents of the eastbay which would be easily accessible and give local artists an outlet for their work.

BACK FROM VACATION

Mr. and Mrs. Roland Bendel and family have returned from a two weeks' vacation spent at Yosemite. Bendel, accompanied by his brother, Cononel C. S. Bendel, and Dion Holm, San Francisco attorney, took the ten day High Sierras Camp Trip.

Work Begins on New Post Office

Structure Expected to Be Ready for Occupancy By October 1

With the question apparently settled that the Niles post office will be moved from its present site to new quarters on H street, work began Thursday of last week on construction of the new building by J. A. Silva.

Excavation work already has been completed and this week the forms for concrete are being laid. Frank Duarte will have charge of the carpenter work in constructing the building, while Frank Lopes has been awarded the contract for the concrete pouring. Silva has announced that he will call for bids for the other work as soon as it can be done. He stated that he will make every effort to keep the work confined to Washington township people.

The building, which is expected to be ready for occupancy by the first week in October, will be a 22x60 structure of re-enforced concrete and will be built especially for post office needs.

Niles P.-T. A. Board To Hold Meet Tuesday

The Niles Parent-Teachers' Association board of directors will hold its first meeting of the school year at the grammar school Tuesday morning. Operation of the school cafeteria will be the chief topic of business before the board.

PICNIC PLANNED

Members of the Hayward post of the Veterans of Foreign Wars will gather at Stonybrook Park, in Niles Canyon Sunday for a big picnic. A large number are expected to attend the affair.

NEW OFFICERS FOR TOWNSHIP COUNTRY CLUB ARE NAMED

They've Never Tasted a Tonic!

THESE are *not* patent medicine children. Their appetite needs no coaxing. Their tongues are never coated, cheeks never pale. And their bowels move just like clockwork, because they have never been given a habit-forming laxative.

You can have children like this—and be as healthy yourself—if you follow the advice of a famous family physician. *Stimulate the vital organs.* The strongest of them need help at times. If they don't get it, they grow sluggish. Dr. Caldwell's syrup pepsin is a mild, safe stimulant.

When a youngster doesn't do well at school, it may be the liver that's lazy. Often the bowels hold enough poisonous waste to dull the senses! A spoonful of delicious syrup pepsin once or twice a week will avoid all this. It contains fresh laxative herbs, active senna, and pure pepsin, and does a world of good to any system—young or old. You can always get this fine prescriptional preparation at any drug store. Just ask them for Dr. Caldwell's syrup pepsin.

Get some syrup pepsin today, and protect your family from those bilious days, frequent sick spells and colds. Keep a bottle in the medicine chest instead of cathartics that so often bring on chronic constipation. Dr. Caldwell's syrup pepsin can always be employed to give clogged bowels a thorough cleansing, with none of that painful griping, or burning feeling afterward. It isn't expensive

ALVARADO SCHOOL ALUMNI HOLD PROGRAM

Friday afternoon in the Alvarado school auditorium was presented a musical program by the grammar school alumni.

The program was opened with the school orchestra playing "The Battle Hymn of the Republic" to which the eight grades of the grammar school marched into the auditorium.

Morris Davilla, who has played trumpet for the past four years, is now leading the orchestra on Fridays. He says this year's orchestra is one of the best the school has ever had. They are improving rapidly and will be able to play a number of Xmas carols by December.

The selections by the school orchestra concluded the program. Many parents and a number of alumni attended. The alumni present were the Misses Irene Frates, Lois Hendricks, Irma Machado, Antoinette Rose, Dorothy Chrysostomo; and Stanley Roderick, Samuel Densmore, Hubert Jacinto, Lewis Silva and Joseph Amaral.

RETURN TO SCHOOL

A very enthusiastic group returned to the church school last Sunday in response to the issuance of Rally Day announcements. Not all of the former pupils have reported yet, however, but it is hoped that by next Sunday everyone will be in place for regular courses.

Among the changes that have been made is the enlistment of Mrs. E. Brinkmeyer as the new superintendent of the primary department. Miss Martha Sanford has ably served in that capacity for some time, but the growth of the group has been such that she will have to confine her attention to the class of beginners.

Another change that parents should notice is the shortened hour for church school. The time for closing now has been set at 11:15 instead of 11:30 as in former years. This plan will enable the teachers to attend church services. Of course, it need not be particularly stressed, but promptness in attendance will be nearly as important now as regularity.

THE HEART OF IT ALL

"At Work In God's World," but now, under present economic and industrial misery, can we live up to the divine commandment of occupation. Knowledge of the the present crisis only emphasizes the vanity of keeping courage for the coming of a better day.

Perhaps we have weighed worthiness according to wrong measures. All of us are deeply concerned with the material, and may have forgotten the true weights of the spiritual. The day of reckoning has come for many, and sadly so in many instances, but why not square ourselves before unseen forces derange us into hopeless forms.

If the carburetor is properly adjusted, missing on a hard pull. poor throttling, or poor pick-up may be traced to defective spark plugs or improperly adjusted spark gap.

TEN YEAR SCOUT PROGRAM TO MAKE BETTER CITIZENS

Increase In Township Scout Troops Seen as Result Of Late Plans

The Boy Scouts of America recently announced a Ten Year program, developed as a contribution toward the upbuilding of American citizenship, J. E. Townsend, chairman of the Washington township Boy Scout organization, has revealed.

The program provides that at least one boy in four, arriving at voting age, shall have had the benefit of four years of training as a Boy Scout.

The plan, Townsend stated, proposes an answer to a growing public demand for a genuinely interested body of citizens, thoroughly devoted to the promotion of the general welfare and entirely committed to the advancement of the public interest.

A copy of the program and details of its proposed operation was received today from Dr. James E. West, chief Scout executive, by Irving P. Beesley, southern Alameda county field executive; Philip A. Souza, Centerville scoutmaster; Peter L. Decoto, Decoto scoutmaster; B. K. Van Cleave, Irvington scoutmaster; Samuel G. Scott, Newark scoutmaster; Marshall M. Green, Niles Troop 1, scoutmaster; and Lawrence Pine, Niles Troop 2 scoutmaster.

Dr. West's letter stated that the program carries the unqualified endrsement of President Herbert Hoover, who has not only followed the precedent of his predecessors in serving as honorary president of the Boy Scouts of America, but also upon many occasions has shown an unusual interest in the development of the organization and its activities.

The President's letter said in part: "It is most important at this time that the activities of all character-building agencies, should be maintained. I hope that your local council will, as heretofore, receive from the general public, such generous support that the splendid record you made in 1931 may be equalled in 1932.

"I sincerely hope that every Scout and Scouter in your organization will heartily cooperate in making your plans effective," Hoover concluded.

Beesley, local field executive, pointed out that an attempt will be made to bring as many new boys into present Scouting troops as possible so that they shall have the benefit of the value of fellowship and experience in the exisiting organizations, but that it will be necessary, in all probability, to nearly double, to 50,000, the existing Boy Scout troops in America under volunteer leadership.

"At present there are six troops and one Sea Scout ship in the Washington township," Beesley stated.

INJURED IN TUNNEL

While working in the Western Pacific tunnel in Niles Canyon last week, Hans Teichman suffered two badly fractured bones in his right foot when he dropped a heavy plank on the limb. The foot was put in a splint by Dr. E. C. Grau at Niles and the injured man sent to the Western Pacific hospital at Portola.

Williamson School Will Organize Dance Classes

Dancing classes to be held this fall under the auspices of the Williamson school will be organized Friday afternoon at 4 o'clock at the Odd Fellows' hall in Niles. All those who are expecting to take the course are urged to be present for this assembly in order that they may get the full benefit of the term's instruction.

Miss Sibyl Marion, of the Marion-Gleason School of Dancing, of Oakland, has been engaged as teacher. She will be assisted by Miss Glasson, who several months ago put on a recital at the Woman's City Club theater in Oakland. This program was witnessed by Mrs. Ben Murphy and others of this community and was highly complimented.

Miss Marion has been a member of the Chicago Civic Opera company, and has studied with a number of notable teachers, including Theodore Kosloff, Andreas Favley and others. She has taught for nine years, five of which have been in her own studio in Oakland, one of the best established schools of dancing in the East Bay. She also taught for the Estella Reed studio in San Francisco while Miss Reed was in Europe.

Miss Marion will teach ballet, including toe work, character, modern German, tap and ballroom dancing. A special class will be organized for high school boys and girls and adults if desired.

All those who contemplate taking must sign up for the entire term of fifteen lessons.

APPRECIATION

I am deeply touched by the splendid endorsement that my fellow citizens of this supervisorial district accorded me in the Tuesday primaries. To these legions of friends I wish to convey my sincere thanks and appreciation and to assure them that I will, in the future as in the past, do my very best that I may, in small measure at least, merit the confidence testified to so effectively by their ballots. And even for those who sincerely opposed my re-election I hold no malice, and I can assure them, as well as my friends, that I am their supervisor, anxious to be of helpful service at all times.

Again thanking you from the bottom of my heart for the tribute and friendship shown me, I am,

Your public servant,
RALPH V. RICHMOND.

IRVINGTON TOSSERS DROP TWO CLOSE CONTESTS

The Irvington baseball team lost two closely contested games to Macy's Movers, of Oakland, on the Irvington grammar school grounds Sunday. The first contest was dropped by a 5 to 3 score and the second was an eleven inning affair, which the Oakland nine copped 4 to 3.

The Oaklanders won the first struggle when they tallied twice in their half of the ninth, while they came from behind in the second game and tallied twice in the eleventh frame to emerge with victory.

Powers and C. Pine shared battling honors for Irvington, both clouting out three singles in four trips to the plate in the first game and getting two out of three in the second.

Joe Blacow poled out a circuit clout for Irvington in the eleventh inning of the second game, but there was no one occupying the sacks.

Rose and Brown worked on the mound for Irvington, while Pine took care of the receiving in the first contest, and Blacow and Menezes formed the battery for the second game.

The Irvington club will play another double-header Sunday with the Adelphian nine, of Oakland at Irvington. The Adelphians are reputed to have a strong nine, and two lively contests are assured the fans.

INCREASE SHOWN AT CENTERVILLE GRAMMAR SCHOOL

Enrollment Reaches 235 On Opening Day Last Week

An enrollment of approximately 235 pupils greeted the opening of the Centerville grammar school for the fall session Monday morning. This is an increase over the enrollment on the opening day of last year. Several more pupils are expected to be enrolled during the first two weeks of school.

Although Monday was a short day for the pupils, they began regular school work Tuesday morning. With the exception of Miss Sybil Botelho, who replaces Mrs. Edward Terry, formerly Miss Hickey, as teacher of the seventh and eighth grades, the faculty is the same as last year.

The cafeteria will begin serving meals to the pupils Thursday morning.

Enrollment in the various grades was as follows: beginners class, twenty; second grade, forty; third, forty-two; fourth, thirty-seven; fifth, forty; sixth, forty-four; seventh, twenty-nine; and eighth, twenty-nine.

Members of the teaching staff are: Joseph Dias, principal and eighth grade; Miss Sybil Botelho, seventh and eighth grades; Tom Maloney, sixth grade; Miss Josephine Herbert, fifth grade; Miss Generose Maloney, third and fourth grades; Miss Anita Garcia, second grade; and Miss Mary Dias, first grade.

Large Number Present At Quarterly Communion

Over sixty-five members from Knights of Columbus councils in the east bay were present at the quarterly communion and breakfast held by the Centerville council at Newark Sunday morning.

After mass held in St. Edwards church, a breakfast was served in the grammar school auditorium, which was featured by the presence of Joseph Rosborough, of Oakland, as the chief speaker. District Deputy Stanton, of Hayward, was among guests present.

TRAFIFC PATROL ON CENTERVILLE HIGHWAY DOUBLED

New System Gives Patrol Protection Eighteen Hours Daily

Becoming effective Thursday of last week, a double shift of state highway patrolmen began operating on the main highways connecting Centerville with the Dublin beacon and San Leandro, it has been announced by Captain L. A. Eike, head of the southern Alameda county traffic squad. Increasing traffic over these routes led to the assignment of more patrolmen to the area.

The new shift replaces the single shift used before. The morning shift begins at six o'clock and ends at three in the afternoon, while the other shift extends until midnight.

Single shifts will be used over the other beats in southern Alameda county daily as previously, Captain Eike stated.

Changes will be made in the various beats every two weeks. The two main beats are covered by Officers Norman Vadnais and Ed J. Dyas, while Officers Anthony Enos and William Hamilton cover the afternoon shifts.

Patrol protection will be provided on the two main highways during the entire heavy traffic period, a total of eighteen hours daily, under the new system.

The lower San Jose highway is included in the Centerville-San Leandro beat, and that to the Dublin beacon includes Castro valley boulevard and Dublin canyon.

Mr. and Mrs. L. Schnoor, of Gridley, were visitors at the home of Mrs. William Lacome over the week-end.

WASHINGTON UNION HIGH SCHOOL OPENS MONDAY WITH RECORD ENROLLMENT

Mrs. Bunting Back From Trip To Canada

Mrs. F. O. Bunting and daughter, Mrs. E. Chandler, returned Monday night after having been gone approximately three weeks on a trip which took them as far as Canada. They spent three days with Mrs. Bunting's sister, Mrs. Borst, of Centralia, and on their return trip visited Mr. and Mrs. Jack Crothers at Eureka. They reported a most enjoyable journey to Victoria and Vancouver, B. C.

Transient Stricken At Warm Springs

Constable Tom Silva was called to Warm Springs last week to investigate the case of Manuel Ortiga, a transient, who had suffered a stroke near the Brown store and had been unable to move for three days.

Joe Brown and Mike O'Grady reported the case, which was ficials.

CAST VOTES

Miss Josephine Herbert and Miss Anita Garcia of the grammar school faculty motored to their respective homes in Berkeley and San Leandro Monday night in order to cast an early vote Tuesday morning.

ASULIKIT MEETS

The Asulikit Club met at the home of Mrs. Bourner, of Niles, on Tuesday, and reported an enjoyable afternoon of playing bridge.

416 Students Are Registered; Many More Expected

Showing an increase of approximately twenty-five over the enrollment on the opening day of last year, 416 students were registered at the Washington Union high school Monday morning when it opened for the 1932-33 session.

The freshman class was about the same as that of last year, but an increase was noted in the second and third year classes at the school. During the first month of school, it is expected that many more students will register to bring the total registration close to the 500 mark.

After holding a general assembly, getting acquainted with all the teachers, obtaining their books and assignments, on Monday the students got back into the routine of regular school work Tuesday morning.

Wih the exception of Labor and Admission Days next week, the students will be faced with uninterrupted scholastic activity for the next three months. There will be no school on either Monday or Friday of next week, both being holidays.

The school cafeteria began serving meals to the students Tuesday morning.

The high school board of trustees will hold its meeting at the high school Wednesday, September 7.

First sessions of the evening high school will open tonight (Thursday). As was announced last week, the evening classes will be conducted Monday, Tuesday, Wednesday and Thursday nights, of the week instead of only on Tuesday and Thursday nights as was the case last year.

Night School

Enrollment in the evening high school was held Monday, Tuesday, and Wednesday nights of this week, and although the enrollment the first two nights was not impressive, a large number are expected to attend the classes after the first month, according to J. V. Goold, who will have charge of the evening sessins.

It is planned to teach courses in the evening sessions this year which will give high school credit and allow those obtaining the required number to secure high school diplomas. Among the courses on the curriculum this year are shop, commercial, sewing, art, Spanish (if there is enough demand), physical education, English and a course in aeronautics.

FORTY-NINE ANSWER GRID CALL AT WASHINGTON HIGH

Coach Jess Regli Faced With Task to Develop Winning Eleven

With the opening of school Monday morning, football practice began in earnest this week at the Washington Union high school under the tutelage of Coach Jess Regli.

Although only forty-nine men have signed up for the gridiron sport, the smallest turnout which Coach Regli has experienced since he took over the coaching duties at the high school, the coach is not disheartened with the possibilities for a winning eleven this year.

The squad is undergoing strenuous drills every afternoon this week in fundamentals, which will be continued next week. After the boys have recovered from the customary stiffness which accompanies drills of the opening week of practice, Coach Regli will begin to hold scrimmage and make his selections for the first string eleven.

The task of molding a team that will hold its own with the other southern Alamada county league elevens this year will not be an easy one for Coach Regli, as nearly all of the regulars from last year's aggregation are missing this season.

Two huskies who will undoubtedly prove formidable bulwarks in the line this year are George Geib and James Booras, both on the regular team last season. Booras will perform at center and Geib will probably scintillate at tackle.

A freshman at the high school this year who should prove a welcome addition to the Cornhuskers's line is John Cattaneo, of Niles, who tips the scale in the neighborhood of 190 pounds.

Two rangy boys who will make strong bids for the end positions are Herbert Harrold and Jack Townsend.

For his backfield, Coach Regli has only two men who have had any experience to speak of. These are Vasco Salvadorini and Chuck Grimmer. Grimmer will probably be the regular quarterback this year, while Salvardorini is slated to hold down the fullback berth. Gronley and Silva are two other backfield candidate who possess potentialties. Gronley has shown considerable ability during practice at booting long spirals and should develop into a capable punter.

The Cornhuskers will face their first opposition on Friday, September 23, when they tangle with the Gilroy high school eleven at Gilroy. This practice game will be followed with a clash with Manteca, after which the Cornhuskers will face the strong Hayward eleven in their opening game of the southern Alameda county league.

The new turf field planted at the Washington Union high school at the conclusion of the grid season last year is now full grown and is a great improvement of the previous dirt field.

Following is a list of those out for football at the high school: Chuck Grimmer, Irving Steinhoff, E. Boice, E. Rose, Louis Manuel, Frank Phippen, James Booras, Vasco Salvadorini, Reginald Agna, Joseph Rodrigues, K. Kato, A. Muniz, George Geib, John Cattaneo, John Gronley, Jack Rathbone, Jack Stevenson, Billy Sinclair, Donald Fuller, Jack Coley.

Frank Mederios, J. Soito, Melvin Farmer, Joe Milani, John Silva, Sam Densmore, M. Hikido, Albert Silva, Herbert Harrold, A. Rivers, John Wilson, W. Ramos, George Mederios, A. Amaral, Manuel Reina, Cecil Bettencourt, Herbert Carr, Peter Rivers, S. Ichsisika, W. Keough, Jack Townsend, Joseph Silva, W. Raso, Arthur Fereria George Fields and Bob Zeigler.

LIONS ENTHUSED OVER SUCCESS OF DANCE

One of the largest crowds to attend a dance in Washington township was present at the Washington Bicentennial hall given by the Centerville Lions Club Saturday night in the Washington Union high school gymnasium.

Although all the proceeds from tickets sold have not yet been turned in, the Lions expect to realize over a hundred dollars from the affair, according to Frank Madruga, president. The money will be used for a civic flag pole which is to be erected in Centerville in the near future.

The postponed barbecue slated to be held at the home of Jack Williamson on the Niles-Centerville highway three weeks ago will be held Wednesday night, September 7. With Williamson performing at the grill, an appetizing evening is anticipated.

Mrs. G. S. Holeman entertained a number of relatives at a dinner Sunday.

Alvarado Woman Is Buried In Centerville

A long illness proved fatal to Bonifacia Lozano, 19, of Alvarado, Friday.

Mrs. Lozano was the wife of Martin Lozano, and also is survived by a small child. She was born in Los Angeles and had resided near Alvarado for the last three years.

Funeral services were held Saturday from St. Edwards church in Newark, with Father Bray officiating. The body was laid to rest in the Centerville Holy Ghost cemetery. Botelho funeral parlors were in charge.

Rose Trial Set for September 12 in San Leandro

Frank Creely, of Oakland, and Senator Christian Represent Rose

Joe M. Rose, Sr., of Pleasanton, will come up for trial in San Leandro Monday, September 12, on a charge of setting out poison.

Rose's arrest several weeks ago followed the death of several Pleasanton dogs from the effects of poison. Poisoned food was found on the front lawn of Rose's Main street home, and two cans of the same kind of poison were found in his home. Both the search warrant and the charge which led to his arrest were sworn to by Ollie Page, whose dog was one of those succumbing to poison in Pleasanton.

When Rose's case came up in the Pleasanton court last week, a motion for change of venue was granted on the grounds that the townspeople were so prejudiced against Rose that he could not obtain a fair trial before a jury picked in Pleasanton.

The case came up before Judge A. W. Bruener, of San Leandro, Monday morning and was postponed until September 12 for trial.

Rose will be represented by Frank Creely, of Oakland, and Senator E. H. Christian, of Hayward. The case will be prosecuted by Deputy District Attorney Stanley Smallwood with the assistance of Chief of Police William T. Davis and City Attorney Walter T. Nilson, of Pleasanton.

BRIEF ILLNESS IS FATAL TO CENTERVILLE YOUTH

Arthur Peixotte, High School Boy, Dies In Oakland Hospital

Friends of Arthur Peixotte, son of a well-known Centerville family, were shocked to hear of his death Tuesday of last week at the Highland hospital in Oakland. Death was due to an abcess of the brain. He had been ill only ten days.

The youth was seventeen years of age at the time of his death, and had been born and raised in Centerville. He was the son of Mr. and Mrs. Joseph Peixotte.

Arhur was a graduate of the Centerville grammar school and and would have been a junior at the Washington Union high school this year.

In addition to his parents he is survived by the following brothers and sisters: Mrs. Laura Dutra, Elmer, Bernice and Norfalk Peixotte, all of Centerville.

Funeral services were held at the Botelho funeral parlors in Centerville at nine-thirty o'clock Saturday morning. Low mass was said in the Holy Ghost church, with Father Souza officiating. Interment was made in the Centerville Holy Ghost cemetery.

Swainsons Describe Chicago Fair Sights

Combining pleasure with business, Mr. and Mrs. Owen Swainson, proprietors of the Swainson Beauty Salon, Niles, are enjoying their trip eastward to the fullest before they return home. A letter was received from them Friday, in which they described some of the sights of Chicago, where they are attending a beauty show.

It read in part as follows: "We are having a wonderful time and enjoying the Beauty Show very much. The hotels here are very modern and the roome are cool and lovely. We also visited the Fair Grounds on Chicago's magnificent water front where you can see what seems like millions of bathers on the beaches. The roads and lights, some trees and shrubs, and several buildings are already completed.

"The buildings are of steel structure and are immense and magnificent in architecture. Many side shows are already on the amusemeent zone and are charging admission and running full blast. Busses built especially for sight seeing on the grounds are also operating. They are about fifty feet long, if not more. The admission into the grounds is ten cents per person and there are thousands of visitors every day."

The Swainsons expect to return to Niles about September 1.

Monrovia—First Baptist church auditorium to be remodeled.

Rose Garage Buildings Get New Coat of Paint

The Rose garage in both Niles and Centerville has been treated to a new coat of paint this week, which adds greatly to the attractiveness of the building. Other improvements have been made to the building in Niles and a new light testing station has been installed. According to Ed. Rose, owner, an upward trend can be noted in business conditions, and he is preparing for a boom in the near future.

BACK FROM VACATION

Mr. and Mrs. A. J. Petsche returned to Niles Friday after spending a two weeks' vacation in Los Angeles and Arizona. Petsche visted his parents at Bisbee, Arizona.

NATIVE DAUGHTERS COMPLETE PLANS FOR FLOAT

Plans are rapidly progressing for the float to be entered by the Niles Native Daughters in the Admission Day parade to be held in San Francisco Friday, September 9.

A committee headed by Miss Adelaide Martin is in charge of arrangements, and has announced that the Niles group will be represented in the parade with a float that will be certain to attract favorable comment and attention. It will be costructed and decorated at Niles. The California Nursery has signified its intention of contributing shrubs and flowers that will adron the float.

ENJOY PICNIC

Mrs. Lucetta Kearns, Lorene and Sam Kearns, George Duffy, Melba Gazola, Wesley Raso, and Mrs. William Helm enjoyed a picnic at Alma Den Friday.

MORE ON ELECTION

(Continued From Page One)

Reggiardo. Lewis received 103 and Rosborough 92.

JOST WINS

By an overwhelming majority William P. Jost, of Hayward, received the republican nomination for the legislature from the 13th district. He polled 1546 votes in Washington township to 442 for Carden, his closest opponent. Out of fifteen of the Washington precincts, Cassidy received 357 ballots to 121 for Klein on the democratic ticket for assemblyman.

ROSS IS VICTOR

Washington township people showed their heavy favoritism for Horace P. Ross in his victory for the county auditor seat by giving him a total of 1860 votes. Carter was next with 581. Tabulation of the vote as it was cast in the sixteen Washington township precincts will be found on the table on page one.

CANYON UNDERPASS IS OPEN TO TRAFFIC

Motorists on the Niles Canyon highway are no longer troubled with the hazardous railroad crossing at Farwell station as the result of the new underpass being opened to traffic last week.

Although the new stretch of highway has not yet been completed, construction work has reached the point where traffic can travel through the underpass. Construction of the underpass has resulted in one of the greatest improvements to the Niles Canyon highway in many years, and will undoubtedly eliminate a former dangerous traffic hazard existing at this point on the canyon route.

C. A. Bruce and Sons, of Pleasanton, who were awarded the contract for the construction of the underpass by the county, still have a force of men at work on the new road, preparing it for graveling. They expect to have completed their part in the project within the next two weeks.

The graveling work will be done by the county after which the road will be paved.

Trouble in the wiring of an automobile usually can be traced to one of the following causes: Short circuit, grounded wire open circuit, or poor connections. These faults can result from damaged insulation, caused by rubbing against metal, oil and water soaked insulation, and vibration while the car is in use.

Arnold Abrott, Betty Sobiela and Ray Lopez Win in School Election

President of the Amador Valley Joint Union High School for the coming year will be Bob Gibson.

This fact was determined at a student body meeting last Tuesday afternoon. At the meeting all the school officers were elected.

Bob Gibson got the president job, Betty Sobiela was elected secretary, and Ray Lopez, treasurer.

The candidates for the various offices were determined by petition. One of the qualifications for candidacy was a high scholastic rating.

The program at the assembly Tuesday consisted of a popular piano solo by Mae Egan, a classical piano selection by Lorna Blacow, and a song by Ed Nott. Speeches were given to promote student body spirit by Betty Sobiela and Joaquin Perry.

Teachers' Reception in Pleasanton Church

Teachers of the Pleasanton schools were entertained last Tuesday evening by the Fellowship Bible Cass, of the Pleasanton Presbyterian Church, at its regular monthly social meeting.

The purpose of the gathering was to give the teachers and principals of both schools an opportunity to get acquainted with one another and with the members of the Bible class.

The evening was spent playing games and the members of the Fellowship Class served refreshments late in the evening.

Dividend Printing

▶There is one kind of printing that you want—printing that pays a dividend on the investment.

▶A letterhead with right sort of type properly balanced is a real business asset. It wins the approval of the person receiving your letter, and while he is in this frame of mind your letter is read.

▶The same reasoning applies to any other job of printing. Neatness, the right weight and kind of paper, the color of the ink, the selection of the type, all play an important part in the production of dividend printing.

We are equipped to give you that kind of printing. Let us prove it to you.

Pleasanton Takes Street Oiling Fight to S. P.

Resolution Authorizes Pickard and Garatti To Take Legal Steps

At a special meeting of the City Council of Pleasanton last week, the council passed a resolution authorizing Mayor A. B. Pickard and Frank Garatti, head of the street department, to establish a grade and prepare plans and specifications for oiling the streets adjacent to the Southern Pacific property. Full power was also given the men to take the additional necessary legal steps toward compelling the railroad to pay their share of the street work.

When approached on the subject, the railroad declared that it could not afford the expenditure this year and refused to contract for its share of the work. However, the city can compel the railroad to pay because the rest of the property owners on the street have already signed up for the work.

A copy of Monday night's resolution was sent the company to show it that Pleasanton means to carry the project through. It is thought that the company will then reconsider, because if legal steps are necessary, the railroad will have to pay all legal costs as well as the cost of the street oiling.

El Centro—Associated Contractors, Inc., Los Angeles, submitted bid of $103,285 for construction of post office here.

OILING OF STREETS IS STARTED IN PLEASANTON

Job To Be Finished in One and One-Half Months From Present Date

Oiling of the streets of Pleasanton began last week with the surfacing and grading of Ray Street. The work is being done by the Heaffy-Moore Construction company, of Oakland.

In addition to the skilled labor furnished by the construction company, many Pleasanton men are finding employment in the work. The contract with the city provides for the hiring of local help wherever possible. Recommedations of property owners who are paying for the street work are given first consideration in hiring extra help.

An estimated cost of the entire job has been placed at between fifteen and eighteen thousand dollars. It is believed that the work will be completed in about one and one-half months. All unoiled streets within the city limits are to be re-finished.

The project will mean no more disagreeable dust in summer and an absence of muddy streets in the winter to the people of Pleasanton. The appearance of the city will be greatly improved, and visitors from other cities will be quick to note and approve of the fact that every single street in Pleasanton has a smooth, dust less, and mud-free surface.

160 Pound Buck Sets Record in Pleasanton Hunt

Denny Nolan, of San Francisco, Tillman Nerton and Dan Tehan in Party

One of the largest deer shot by Pleasanton sportsmen was the prize of Denny Nolan, of San Francisco, who was on a three day hunting trip near Camp Bessie in the Livermore Mountains with Tillman Nerton, of Pleasanton, and Dan Tehan, of Dublin.

The three men arrived at Camp Bessie last Tuesday and it was not until Thursday evening that Nolan got his buck. The animal was a large three-pointer over and weighed 157 pounds dressed, a weight which is by far the heaviest of any deer brought out of the mountains up to the present date this season. Deer brought down so far this year have weighed from seventy-five pounds to 125.

This is Nolan's first deer. He is planning to mount the head.

Pleasanton Men New Officers at Banquet Meeting

Peter Christesen Tried for Murder of Rooster Mascot

Installation of officers for the coming year was held last week by the Pleasanton Junior Chamber of Commerce following a banquet at Ratti's Restaurant.

The officers were installed by E. C. Lilley, president of the San Leandro Junior Chamber of Commerce. Lilley was introduced by Past President Andrew M. Greve, of the Pleasanton Chamber.

The new officers installed last night are as follows:

J. J. Amaral, president; Ed Orloff, vice president; Lloyd H. Rhodes, secretary; Bill Hall, treasurer; Louis Fuchs, Bill Brenner and Bob Cope, directors.

Following the installation, Pete Christesen was tried for the murder of a Rhode Island Red rooster, and prospects certainly looked black for him.

The rooster was the chambers official mascot and made his first and only public appearance in the parade in connection with the street dance last fall. Christesen was at that time appointed custodian of the cock, and shortly afterward, the rooster died under what are claimed to be suspicious circumstances.

Andy Greve presided as judge over the trial last night. Andy Jorgensen, as district attorney, prosecuted the case with the help of Lloyd Rhodes, as assistant district attorney. Jack O. Bullene was the counsel for the defense. J. J. Amaral was the star witness for the defense, while the star witness for the prosecution was "Professor Knowsitall" (Ed Orloff).

The jury was selected by lot from among the spectators present at the banquet.

Choral Class in Pleasanton Begins Soon

Evening choral classes will begin Monday night, September 5, at the Amador Valley Joint Union High School according to an announcement made by Harry Tripp last week.

The first meeting will commence at eight o'clock. The meeting will consist of a discussion of what the class shall take up in the future.

The harmony class will meet on Thursday evening, September 8, for its first session. This class will consist of those who have a knowledge of music. Members must be able to read music and will be given an advanced study of the theory of music.

The band class is to meet on Thursday evening at 8:15 after the harmony class. Beginners and advanced students will be taken in this class.

Battery Costs San Jose Man Pleasanton Fine

Victor S. Swanson, of Sunol, Is Complaining Witness at Jury Tial

George Sennett, of San Jose, was fined $200 in Judge Charles A. Gale's court, in Pleasanton, last Tuesday on a charge of battery.

He was found guilty of the charge by a jury of Pleasanton people after a trial which lasted all morning.

Sennett is alleged to have followed Victor S. Swanson on the night of July 31 from his Sunol home to the Alameda camp of the Hetch Hetchy project, accosting him several times on the road, and finally beating him with his fists as Swanson left his car to go to work.

Jerome de Lopez, of Sunol, who was with Sennett, and who is said to have aided in the beating, was fined $100 by Judge Gale last week, after pleading guity to a similar charge.

Sennett was represented by a San Jose attorney, and the case was prosecuted by Deputy District Attorney Stanley Smallwood.

Legion Lays Cornerstone of New Building

Veterans' Memorial Building To Be Completed in November

Cornerstone ceremonies at the new Veterans' Memorial building, in Pleasanton, took place at two o'clock Sunday afternoon.

The Pleasanton American Legion Post was in charge of the ceremonies, with Commander Charles Fiorio officiating.

The committee in charge of the laying of the cornerstone was chairmanned by Walter T. Nilson, and included A. C. Westling and H. A. Hansen.

Several county officials were invited to be present at the exercises, including Supervisor Ralph V. Richmond, who was one of the speakers.

The Veterans' Memorial building is being built by the county to house the Pleasanton Post and Auxiliary as well as other community events from time to time.

Total estimated cost of the structure has been set at $50,000. It will probably be completed sometime in November.

Sacramento—Bids to be opened September for construction of $32,000 Memorial Park road project.

San Francisco — Contracts totaling $$385,032 let for construction of new medical school building to adjoin University Hospital on Parnassus avenue.

Anthony Souza and Harry Cesari, of Troop No. 1, Niles, have been made patrol leaders; and Howard Rose and Bert McKernon their assistants. Melvin Farmer has been promoted to Junior Assistant scoutmaster.

Something new in the way of contests is to be tried by Troop 1, of Niles, in the near future.

Now that school has started there will be regular meetings of all the troops. During the summer, troops have been meeting bi-monthly. There will be a movement in getting new members in nearly all the communities.

Scouts who are planning to attend the Camporee should begin working on their stunts, etc.

Something for the Scouts of Washington township to work for is the president's award. This award will be presented to the troop having the most advancement in membership from December 31, 1931, to December 31, 1932. This contest will be held all over the country, and a separate award will be given to the winning troops of each council.

Another county scout executive is about to enter the sea of matrimony. News has been received of the coming marriage of Field Executive Irving P. Beasley, who is to be married sometime in November. The wedding will take place in Salt Lake City.

INTEREST SHOWN BY PRODUCE GROWERS

Produce growers from Alameda and Contra Costa held their second meeting to discuss the organization of a cooperative marketing association at the Milpitas public school Saturday.

According to those present it was one of the most interesting meetings of the year. C. S. Corder of the state agricultural department, was the chief speaker who explained the origin and development of the California Plan.

Such enthusiasm was manifested at Saturday's meeting that J. P. Ramos, group chairman, is planning for a large gathering to be held probably at Irvington about September 17.

The next discussional institute meeting will be held at Mission San Jose in the I. D. S. S. hall Saturday night, September 3, and the committee arranging for the affair has announced that a large number have signified their intentions of being present.

When cleaning carbon from the spark plugs not to mar the glazed surface of the porcelains. Gasolene will assist in the cleaning, but alcohol is better because it evaporates rapidly and does not leave a sticky film. Metal polish that contains a high percentage of wood alcohol is also a good spark plug cleaner. Pour the solution into the inverted plug and let stand for a few minutes. then remove the carbon with a knife blade, being careful not to mar the porcelain.

Milk at School in Pleasanton Drops in Price

Parent-Teachers Association To Offer Beverage at Cost

Children at the Pleasanton grammar school will have the privilege this coming year of obtaining milk for three cents a bottle at the cafeteria, according to an announcement made by Miss Lillie Kiefer, manager.

The former price was five cents per bottle, and a number of children who needed the milk didn't take it because they couldn't afford it. Through a special arrangement with the dairy, the children will be given the certified milk for three cents a bottle. At this price there will be no profit made by the Parent-Teachers Association.
